

TERMS AND CONDITIONS OF SALE

The sale of all products and services by the RubberForm Recycled Products, LLC ("Seller") to the purchaser ("Customer") shall be subject to and governed by these terms and conditions of sale (these "Terms and Conditions"). Seller's acceptance of any order or other offer by Customer (whether in writing, by telephone or otherwise) for any products or services shall be conditioned upon Customer's assent to these Terms and Conditions. Such assent shall be deemed given upon the earlier of: (i) Customer's acceptance of these Terms and Conditions pursuant to a credit application containing or referencing these Terms and Conditions; (ii) Customer's acceptance of these Terms and Conditions pursuant to a separate agreement by and between Seller and Customer containing or referencing these Terms and Conditions (a "Separate Agreement"); (iii) Customer ordering products or services from Seller based on a Seller quotation or proposal, or by means of purchase order submitted by Customer and accepted by Seller, in any case containing or referencing these Terms and Conditions; (iv) delivery of products or services to Customer where Customer has received written notice of these Terms and Conditions, however gained, including, without limitation, in a Seller quotation, proposal, acknowledgement, bill of lading, invoice or any other writing (including, without limitation, electronic correspondence) containing or referencing these Terms and Conditions; or (v) payment by Customer to Seller for Seller's products or services where Customer has received written notice of these Terms and Conditions, however gained, including, without limitation, in a Seller quotation, proposal, acknowledgement, bill of lading, invoice or any other writing (including, without limitation, electronic correspondence) containing or referencing these Terms and Conditions. No additional or different terms or conditions, whether contained in a purchase order or any other communication from Customer (whether written or oral and whether previously given or later asserted), shall be binding upon Seller (unless specifically agreed to in writing by an executive officer of Seller), and Seller objects to and rejects any provision additional to or different from these Terms and Conditions. The failure of Seller to object to any such additional or different terms or conditions shall not be a waiver of these Terms and Conditions or an acceptance of such additional or different terms or conditions. No modification or amendment of, or addition to, these Terms and Conditions or any Customer order accepted by Seller shall be binding unless in writing and signed by an executive officer of Seller.

Customer Acknowledgements: Customer acknowledges that it is responsible for the safe selection, unloading, handling, storage, use and disposal of the products. Customer warrants that it will:

- familiarize itself with, and follow recommendations contained in, product information supplied by Seller at any time;
- follow safe handling, use, selling, storage, transportation and disposal practices and ensure that all employees, contractors, agents and customers follow these practices;
- take action to avoid spills or other dangers to persons, property or the environment, and in the event of such occurrence, take immediate action, at its own expense, to abate or otherwise address the spill or other danger;
- in any action against Seller for personal injury or death of Customer's employees, expressly waive, as to Seller, the exclusive defense under any Workers Compensation Act if Customer fails to comply with any of the obligations set forth in these Terms and Conditions; and
- comply with all federal, state, and local laws, rules and regulations concerning the transportation, storage, use, sale and disposal of products, including, without limitation, all safety and environmental laws, rules and regulations.

Customer Warranty and Obligations: Customer warrants that it has received and is familiar with product information published by Seller, that it has used its own independent skill and expertise in connection with the selection and use of the products and that it possesses skill and expertise in the handling, storage, transportation, treatment, installation, use and disposal of the products. To the extent Customer requires Seller, and Seller agrees, to affix or provide Customer's label to products ordered, Customer warrants that said label is accurate for the product ordered. Customer shall determine the suitability of the products for their purpose and assume the responsibility for all risks and liabilities which may result from their use.

Payment: Customer will pay for the products and services on the terms set forth in a Separate Agreement, a Seller quotation or proposal, a purchase order submitted by Customer and accepted by Seller, or a Seller acknowledgement, bill of lading or invoice, as applicable. If payment terms are not set forth in any such document, credit terms have been established, payment must be received by Seller net 30 days from invoice date. Unless otherwise agreed in writing by Seller and Customer, Seller will invoice Customer upon shipment of products. All payments shall be made in the currency listed in any such document, as applicable, or, if not so listed, then in U.S. dollars. Seller, or its assignee, may charge the maximum interest allowed by law on all overdue amounts. If payments are not paid on time, or if Seller has reason to believe that Customer's financial status is unsatisfactory, Seller may defer shipments, accelerate due dates on all amounts owed, and/or require cash or other security. Customer agrees to pay all of Seller's collection costs (including reasonable attorney fees) incurred as a result of Customer's failure to make payment in accordance with applicable payment terms.

Delivery: Unless otherwise stated in a Separate Agreement, a Seller quotation or proposal, a purchase order submitted by Customer and accepted by Seller, or a Seller acknowledgement, bill of lading or invoice, as applicable, (i) all products will be delivered to Customer's specified location (the "Facility"); and (ii) the provisions of the most current version of INCOTERMS, International Chamber of Commerce Publication, are incorporated herein by reference. Seller shall use reasonable efforts to meet Customer's requested delivery date, but Seller does not guarantee a specific delivery date. For international shipments, Seller may, in its sole discretion, agree to clear goods for export, provided that all related fees will be charged to the Customer. In the case of international sales, unless otherwise agreed by Seller, Customer shall be solely responsible for: (i) providing to Seller, prior to shipment and in writing, the ultimate destination and identity of the end-user; (ii) paying all duties, taxes and other charges imposed by any government on products or on the purchase, exportation, importation or reexportation of products; and (iii) for compliance with all applicable laws, including but not limited to export control laws, and applicable regulations which may be issued from time to time concerning the exporting, importing and re-exporting of products. In addition, for U.S. export licensing purposes, Customer shall provide to Seller any and all documentation required to complete any and all applicable United States of America State Department or Commerce Department license applications.

Title; Risk of Loss: Title to the products shipped hereunder and the risk of loss shall pass to Customer upon Seller's delivery to a carrier or into Customer's transport.

Right to Inspect; Notice of Rejection: Customer shall have the right to inspect the products upon tender by Seller or the carrier. The failure of Customer to inspect any particular shipment within ten (10) days after tender to Customer shall constitute a waiver of Customer's rights to inspect that shipment and shall constitute an acceptance of such products. All claims for shortages, defects or other non-conformities in products delivered shall be made in writing by Customer to Seller within fifteen (15) days after their tender to Customer and shall fully specify the nature of such claims and the basis thereof. Failure to so notify Seller in writing of any claim within fifteen (15) days after tender to Customer shall constitute an irrevocable acceptance of the products and an admission by Customer that the products comply fully with all terms, conditions and specifications of the corresponding order.

If Customer rejects any products tendered, Customer shall fully specify the nature and basis of all claimed defects and other non-conformities in the notice of rejection sent to Seller within such fifteen (15) day period. The failure to specify any particular defect or other non-conformity shall constitute a waiver by Customer of that defect or other non-conformity. If Customer rejects any tender of products in accordance herewith, Customer shall reship the products within a reasonable period of time to the place designated by Seller; provided, however, in no event are products to be returned by Customer without in each instance obtaining Seller's prior written

authorization, and Seller reserves the right to refuse any products returned for credit without such prior written authorization. Customer expressly waives its right to a security interest in the products under Section 2-711 of the Uniform Commercial Code or under any other law.

Upon Customer's rejection of defective or non-conforming products and Seller's written authorization to return such products, in each case in accordance herewith, Seller shall, at Seller's sole option and as Customer's sole and exclusive remedy, either (i) repair the defective or non-conforming products, (ii) replace the defective or non-conforming products, or (iii) provide to Customer a refund or credit in the amount of the purchase price paid by Customer for the defective or nonconforming products. This exclusive remedy shall not be deemed to have failed of its essential purpose so long as Seller is willing and able to replace defective or non-conforming products in the prescribed manner.

Return of Conforming Products: Because of the nature of Seller's products, such products are non-returnable; however, from time to time and subject to Seller's prior written approval (in Seller's sole discretion), within thirty (30) days of purchase, Seller may permit Customer to return conforming products to Seller and receive, in Seller's sole discretion, a refund or credit in the amount of the purchase price for such products, minus a restocking fee equal to 20% of the original purchase price, provided that: (i) such products are in original condition and have not been modified or customized by or for Customer; (ii) such products are in their original packaging; (iii) have not been installed or used what so ever; and (iv) such products are returned to Seller within fifteen (15) days after Seller's written RMA authorization of such return, freight prepaid by Customer.

Any replacement products will be warranted for the unexpired portion of the Warranty Period applicable to the particular products. CUSTOMER ACKNOWLEDGES AND AGREES THAT EXCEPT AS EXPRESSLY SET FORTH IN THIS PARAGRAPH, SELLER MAKES NO REPRESENTATIONS OR WARRANTIES RELATED TO THE PRODUCTS OR THE SERVICES AND THAT THE FOREGOING WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE OR USE, ALL OF WHICH ARE EXPRESSLY DISCLAIMED.

Seller is not responsible for the removal, installation, re-installation of, or making of access to, any products, items, or services, and assumes no liability for the removal, installation, re-installation of, or making of access to, any products, items, or services. Customer is solely responsible for retaining third-parties to remove, install, or re-install any products, items, or services. Furthermore, Customer acknowledges and agrees that Seller is not responsible for and assumes no liability for materials or workmanship, labor costs or other related expenses for any work performed by third parties in the installation, re-installation, repair or replacement of defective products or the re-performance of services.

The warranties provided in these Terms and Conditions will be voided if (i) the products have not been stored, installed, maintained or operated in accordance with accepted industrial practice, original manufacturer's instructions or any specific instructions provided by Seller; (ii) the products have been subjected to any accident, misapplication, environmental contaminant, corrosion, damage, debris, abuse or misuse; (iii) Customer has modified the products without Seller's prior written consent; (iv) Customer has used or repaired the products after discovery of the defect without Seller's prior written consent; (v) Customer refuses to permit Seller to examine the products and operating data to determine the nature of the defect claimed; (vi) the products have not been installed in accordance with the written instructions provided by the Seller; or (vii) Customer is in breach of its obligations under these Terms and Conditions.

SHOULD THESE REMEDIES BE FOUND INADEQUATE OR TO HAVE FAILED OF THEIR ESSENTIAL PURPOSE FOR ANY REASON WHATSOEVER, CUSTOMER AGREES THAT RETURN OF THE AMOUNT PAID BY CUSTOMER TO SELLER UNDER THESE TERMS AND CONDITION SHALL PREVENT THE REMEDIES FROM FAILING OF THEIR ESSENTIAL PURPOSE.

Indemnity and Hold Harmless Obligations: Without limiting any other terms hereunder, Customer agrees to protect, defend, indemnify and hold harmless Seller and its affiliates, and each of Seller's and its affiliates' directors, managers, officers, employees and/or agents (each a "Seller Indemnitee" and collectively, "Seller Indemnitees") against any claim, loss, liability and expense (including reasonable attorneys' fees) (i) on account of any damage to property or injury or death of persons (including without limitation Customer's employees and other personnel) arising out of Customer's unloading, handling, storage, use, sale or disposal of the products or the failure of Customer to comply with any of the obligations set forth in these Terms and Conditions; (ii) from and against all claims, demands, causes of action, losses, damages, costs, liability and expenses which may be asserted against or incurred by a Seller Indemnitee or Seller Indemnitees arising out of the manufacture and/or sale of any products or provision of services furnished to or for Customer in compliance with Customer's specifications, including any claim, demand, or liability arising out of a breach of Customer's obligations set forth in these Terms and Conditions or on account of actual alleged infringement of any United States patent or trademark.

LIMITATION OF LIABILITY: THE CUMULATIVE LIABILITY OF SELLER AND ITS AFFILIATES FOR ANY CLAIM OF ANY KIND OR FOR ANY LOSS OR DAMAGE RELATING TO THE PRODUCTS OR SERVICES SHALL IN NO EVENT EXCEED THE PRICE ALLOCABLE TO THE PRODUCTS OR SERVICES WHICH GIVE RISE TO ANY SUCH CLAIM, LOSS OR DAMAGE, WHETHER ARISING UNDER WARRANTY/GUARANTEE, CONTRACT, NEGLIGENCE, STRICT LIABILITY, INDEMNIFICATION, DEFENSE OR ANY OTHER CAUSE OR COMBINATION

THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FUNDAMENTAL BREACH OR FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY. CUSTOMER'S REMEDIES ARE LIMITED TO THOSE REMEDIES STATED HEREIN AND THESE REMEDIES SHALL NOT FAIL THEIR ESSENTIAL PURPOSE BECAUSE CUSTOMER IS LIMITED TO THE EXCLUSIVE REMEDIES AS STATED HEREIN.
