

## SB-10 SPEED BUMP

Our RubberForm SB-10 Speed Bumps are effective permanent or temporary traffic calming devices, ideal for reducing vehicle speeds under 10 miles per hour. They're easy to install, easy to relocate, and highly visible day or night. Our speed bump's 100% American recycled composite material won't crack, crumble, or corrode no matter the heat, cold, extreme weather you throw at it.

### KEY FEATURES:

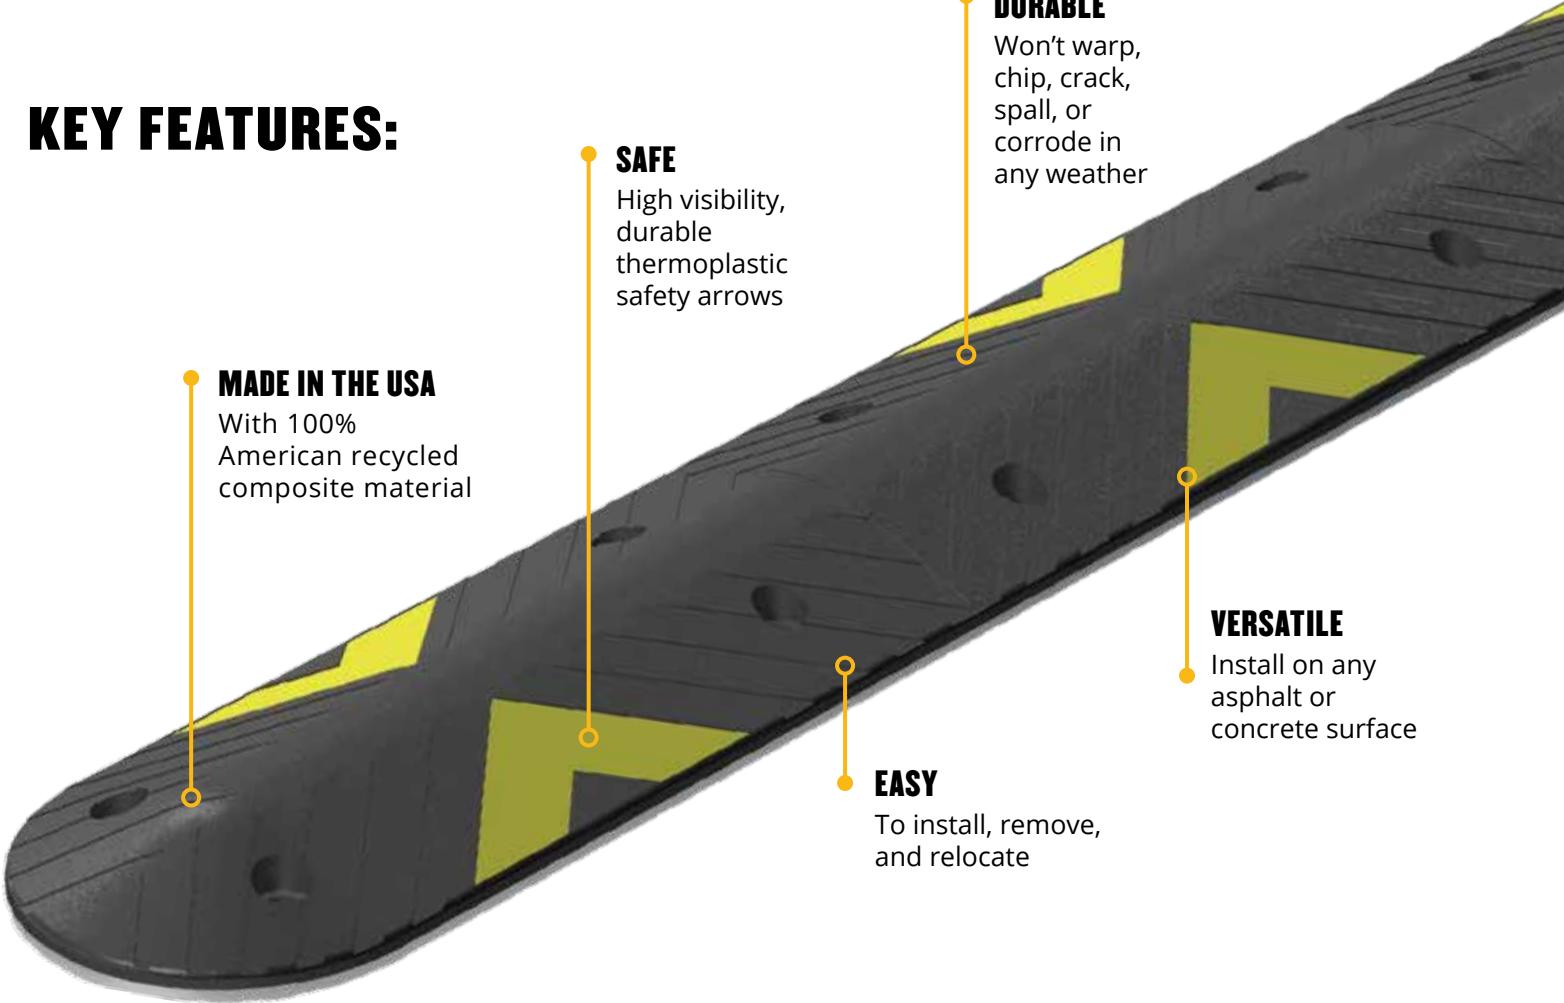

**MADE IN THE USA**  
With 100% American recycled composite material

**SAFE**  
High visibility, durable thermoplastic safety arrows

**DURABLE**  
Won't warp, chip, crack, spall, or corrode in any weather

**VERSATILE**  
Install on any asphalt or concrete surface

**EASY**  
To install, remove, and relocate
