

2" PIPE & HOSE RAMP

Our redesigned and engineered 2" Pipe and Hose Ramp protects pipes, cables, hoses, or electric conduit lines from load-bearing traffic, with either temporary or permanent installation.

Our 100% American recycled composite material Ramp is easy to install, just as easy to remove and relocate, and won't crack, crush, crumble or corrode. It can withstand heat, cold, rain, ice, and snow. And of course, high traffic of heavy vehicle loads.

KEY FEATURES:

MADE IN THE USA

With 100% composite recycled material

PROTECTS

Pipe or hose up to 2-3/8" in diameter

FLEXIBLE

Conforms to any asphalt or concrete surface

EASY

Transport & install with built-in hand grips

DURABLE

Won't chip, crack, spall, or warp

Made in the USA

100% Recycled Materials

Unrivaled Quality

UV Resistant

PIPE & HOSE RAMP SPECIFICATIONS

RUBBERFORM PR2-3

- 2.5"H x 15.25"W x 36"L
- Product weight - 18 lbs
- Custom lengths available on request
- Holds pipe or hose diameter up to 2-3/8"
- Temporary or permanent
- High load-bearing capacity
- Indoor or outdoor use
- Max load rating: 34,000 lb per tandem axle group (rolling load)
