

2" SPILL CONTAINMENT BERM

RubberForm's patented 2" Spill Containment Berm mechanically isolates areas and contains spills without resorting to immovable concrete barriers, angle iron or culverts, and expensive construction costs. It keeps you, your workers, and your neighbors safe, and your site compliant.

4", 6", 8" and Drive-Over Spill Containment Berms are also available!

OUR 100% AMERICAN MADE SPILL BERM IS A COMPLETE TURNKEY SOLUTION:

1. **YOU MEASURE**
2. **WE DESIGN & FABRICATE**
3. **YOU INSTALL**

You won't need any tools more sophisticated than a tape measure, drill, and a caulk gun.

Made in the USA

100% Recycled Materials

Unrivaled Quality

UV Resistant

2" SPILL CONTAINMENT BERM
